1995 TOWN MEETING WARRANT

To the inhabitants of the Town of Northfield, in the County of Merrimack, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Northfield Town Hall the 14th day of March next at ten o'clock in the forenoon at the Northfield Town Hall to act upon the following subjects:

Article #1. To choose all necessary Town officers and School District officers for the ensuing year.

And on the 18th day of March next at ten o'clock in the forenoon at the Pines Community Center on Dearborn Road in Northfield to act upon the following subjects:

Article #2. To see if the Town will vote to raise and appropriate the sum of \$66,000 which is the Town's share of the State Bridge Aid Program to replace bridge #173/124 on Shaker Road over Whicher Brook and to authorize the withdrawal of \$66,000 from the Capital Reserve Bridge Fund. (Recommended by the Board of Selectmen and the Budget Committee.)

Article #3. To see if the Town will vote to discontinue the Existing Dump Closure Fund and that the principal and interest be returned to the general fund. (Recommended by the Board of Selectmen and the Budget Committee).

Article #4. To see if the Town will vote to raise and appropriate the sum of \$25,000 to replace the salt shed at the Northfield Highway Garage and to authorize the withdrawal of \$12,000 from the Capital Reserve Building and Equipment Fund. The balance of the funds to come from general taxation. (Recommended by the Board of Selectmen and the Budget Committee).

Article #5. To see if the Town will vote to raise and appropriate up to the sum of \$40,000 to purchase a used grader and to authorize the withdrawal of up to \$40,000 from the Capital Reserve Highway Equipment Fund. (Recommended by the Board of Selectmen and the Budget Committee).

Article #6. To see if the Town will vote to raise and appropriate the sum of \$2,000 for the Northfield-Tilton Economic Development Corporation, a private non-profit corporation, for the purpose of promoting economic development and business expansion in the two towns. The same request has been made of Tilton by Petition. (This article was submitted by Petition. The Board of Selectmen recommended \$2,000 and the Budget Committee recommended \$1,000).

Article #7. To see if the Town will vote to raise and appropriate the sum of \$1,931,070 which represents the operating budget of the posted budget (MS-7) and pass any vote in relation thereto.

Article #8. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town, gifts, legacies and devises made to the Town in trust for any public purpose as permitted by RSA 31:19.

Article #9. To see if the Town will vote to authorize prepayment of taxes and authorize the Tax Collector to accept payments in prepayment of taxes.

Article #10. To see if the Town will vote to authorize the Tax Collector to discount by 2% any amount in taxes due when said taxes are paid within 30 days of the date of billing.

Article #11. To see if the Town will vote to authorize the Selectmen to accept the dedication of any street shown on a subdivision plan approved by the Planning Board, provided that such street has been constructed to applicable town specifications as determined by the Board of Selectmen or their agent and also to empower the Selectmen to receive lands and easements related to this construction. This vote automatically remains in effect until rescinded by vote of Town Meeting.

Article #13. To transact any business that may legally come before said meeting.

The polls shall close not earlier than seven o'clock in the evening.

Given under our hands and seals at Northfield this 21st day of February in the year of our Lord, nineteen hundred and ninety-five.

Thomas Jordan, Chairman

Glen Brown

Lana Dearborn

Selectmen
of
Northfield, N.H.

A True Copy of the Warrant Attest:

1994 SELECTMEN'S REPORT

As we review 1994, one of the things which clearly stands out is the number of residents who volunteer their time to serve on Northfield's Boards and Committees. We would like to express our sincere appreciation to all the members for taking the time to be involved which makes Northfield such a great community. Please take a moment to review their annual reports.

The modest increase in the 1994 budget allowed us to maintain and improve our current level of municipal services. The reconstruction of Summer Street was completed. This was a joint Town/State project - the Town pays one third and the State pays two thirds. We hope the voters will continue to place matching funds in capital reserve funds so that we can take advantage of this program for future state road projects, i.e. Bay Hill Road, Bean Hill Road, Sandogardy Pond Road, portions of Shaker Road and Oak Hill Road.

In working with the Capital Improvements Program Committee, we have started an ambitious bridge replacement program. The Town proposes to replace Shaker Road Bridge in 1995, Knowles Pond bridge in 1996 and Twin Bridge in 1997 through 80% state funding and 20% town funding. Again, we hope the voters will continue to fund the Bridge Replacement Capital Reserve Fund.

The percentage of tax collections has remained steady but the large number of residents who are not able to pay on time, makes it necessary to borrow tax anticipation notes (TANS). Interest rates are on the rise, so in order to keep our borrowing costs lower, we ask that residents pay their taxes on time or make arrangements with the Northfield Tax Collector to make monthly payments.

We have been working closely with the Winnisquam Regional School District on the new school construction project and the Union/Sanborn renovations in order to meet both the town's and the district's needs as efficiently and economically as possible.

This Board has also been working diligently to attract new businesses to Northfield so that we can keep apace of ever increasing school, fire district, county and municipal budgets.

Again, we would like to thank the many volunteers who serve as members of Northfield's Boards and Committees, our department heads and employees for their hard work and dedication throughout the year.

Respectfully submitted,

Thomas Jordan, Chairman
Glen Brown
Lana Dearborn

Northfield Board of Selectmen

TOWN OF NORTHFIELD
MINUTES OF THE 1994 TOWN MEETING

The 1994 Town Meeting was called to order at 10:00 on the 8th day of March, 1994 at the Northfield Town Hall to vote for officers and to act upon articles 2 and 3. The results of this voting are as follows:

Art. # 1 To choose all necessary Town officers and School District officers for the ensuing year.

For Selectmen:

Lana Dearborn	185
Ronny Moreau	67

For Road Agent:

Albert Cross	250

For School Board - Sanbornton

David Knapp	224
-------------	-----

For School Board - Tilton

Roy Wakefield	239
---------------	-----

Article #2. Insert a definition for "Recreational Vehicle" in the Town of Northfield Floodplain Ordinance, Article 16, Section I, page 3, after the "100-Year Flood" definition and before the "Regulatory Floodway" definition: "Recreational vehicle" means a vehicle which is (a) built on a single chassis; (b) 400 square feet or less when measured at the largest horizontal projection; (c) designed to be self propelled or permanently towable by a light duty truck; and (d) designed primarily not for use as a permanent dwelling but as temporary living quarters for recreational, camping, travel or seasonal use. Yes 173 No 51

Article #3. Insert the following regulation for recreational vehicles in the Town of Northfield Floodplain Ordinance, Article 16, Section VII, page 7, after subsection (c) and reletter the following subsections: Recreational vehicles placed on sites within Zones A1-30, AH, and AE shall either (i) be on the site for fewer than 180 consecutive days, (ii) be fully licensed and ready for highway use, or (iii) meet all standards of Section 60.3 (b) (1) of the National Flood Insurance Program Regulations and the elevation and anchoring requirements for "manufactured homes" in paragraph (c) (6) of Section 60.3. Yes 167 No 46

The business portion of the 1994 Northfield Town Meeting was called to order by Moderator Charles Chandler at 10:00 A.M. at the Tilton Northfield Fire District Station located on Park Street in Northfield.

Article #4. To see if the Town will vote to raise and appropriate the sum of \$250 for the installation of an alarm system and \$2,000 for future exterior improvements (handicapped access, parking lot, lexan for the windows, etc.) at the Hall Memorial Library. The same is requested of Tilton and recommended by their Budget Committee. Article passed.

Article #5. To see if the Town will vote to raise and appropriate the sum of \$2,000 to fund Sunday Concert Series on the Island and \$500 for Summer Fair. The same is requested of Tilton. Article failed by standing vote, 30 yes and 50 no.

Article #6. To see if the Town will vote to raise and appropriate the sum of \$50,000.00 to complete the Summer Street State Aid Reconstruction Project (SAR) and to authorize the withdrawal of \$50,000 from the Capital Reserve Highway Fund created for this purpose. Article passed.

Article #7. To see if the Town will vote to raise and appropriate the sum of \$11,500 to be added to the Building & Equipment Capital Reserve Fund previously established in 1966. Article passed.

Article #8. To see if the Town will vote to raise and appropriate the sum of \$5,000 to be added to the Revaluation Capital Reserve Fund previously established in 1986. Article passed.

Article #9. To see if the Town will vote to raise and appropriate the sum of \$20,000 to be added to the Bridge Rehabilitation and Reconstruction Capital Reserve Fund previously established in 1987. Article passed.

Article #10. To see if the Town will vote to raise and appropriate the sum of \$20,000 to be added to the Highway Construction and Reconstruction Capital Reserve Fund previously established in 1989. Article passed.

Article #11. To see if the Town will vote to raise and appropriate the sum of \$20,000 to be added to the Highway Equipment Capital Reserve Fund previously established in 1989. Article passed.

Article #12. To see if the Town will vote to raise and appropriate the sum of \$500 to be added to the Library Building Capital Reserve Fund previously established in 1992. Article passed.

Article #13. To see if the Town will vote to raise and appropriate the sum of \$ 1,806,969 which represents the operating budget of the posted budget (MS-7) and pass any vote in relation thereto. Motion made and seconded to raise and appropriate the sum of \$1,809,219, the original amount plus funds raised by article 4. Scott McGuffin made a motion to amend the motion to increase the budget

by \$3,848 for a total of \$1,813,067 for Library personnel costs. Motion for the amendment failed.

George Prescott made a motion to amend the bottom line by \$600 (\$1,809,819) for step increases for the Youth Assistance Program. Mr. Generalis asked to have it placed on record that according to Robert's Rules the bottom line cannot be increased. Moderator Chandler ruled that statement incorrect. Amendment passed.

Glen Brown made the motion to amend the bottom line such that the sum of \$3848 be appropriated for the library, but in the event that Tilton does not appropriate the same amount, the appropriation shall not be spent and returns to the general fund. Amendment failed.

The motion as amended, bottom line of \$1,809,819 passed by voice vote.

Article #14. Shall the Town accept the provisions of RSA 31:95-b providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to apply for, accept and expend, without further action by the town meeting, unanticipated money from a state, federal, or other government unit or a private source which becomes available during the fiscal year? This authorization will remain in effect until such time as the town meeting votes to rescind its vote. Article passed.

Article #15. Shall the Town accept the provision of RSA 33:7 providing that any town at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the selectmen to issue tax anticipation notes? Article passed.

Article #16. To see if the Town will vote to authorize the Board of Selectmen to accept gifts of personal property, other than money, which may be offered to the Town for any public purpose in accordance with RSA 31:95-e, and such authorization shall remain in effect until rescinded by a vote of Town meeting. Article passed.

Article #17. To see if the Town will vote to authorize the Board of Selectmen to accept on behalf of the Town, gifts, legacies and devises made to the Town in trust for any public purpose as permitted by RSA 31:19. Article passed.

Article #18. To see if the Town will vote to authorize prepayments of taxes and authorize the Tax Collector to accept payments in prepayments of taxes. Article passed.

Article #19. To see if the Town will vote to authorize the Tax Collector to discount by 2% any amount in taxes due when said taxes are paid within 30 days of the date of billing. Article passed.

Article #20. To see if the Town will vote to authorize the Selectmen to administer and convey any real estate acquired by the Town by Tax Collector's Deed pursuant to RSA 80:80, until specific rescission of such authority. Such conveyance shall be by deed following a public auction, or the property may be sold by advertised sealed bids or may be otherwise disposed of as justice may require. Article passed.

Article #21. To see if the Town will vote to authorize the Selectmen to accept the dedication of any street shown on a subdivision plan approved by the Planning Board, provided that such street has been constructed to applicable town specifications as determined by the Board of Selectmen or their agent and also to empower the Selectmen to receive lands and easements related to this construction. Article passed.

Article #22. To see if the Town will vote to support designation of the upper Merrimack River as a Scenic and Recreational River under the national Wild and Scenic Rivers Act. This support is based on the following understandings:

That there will be no loss of local government authority as pertains to the management of lands adjacent to the river, and there will be no federal land management as a result of the designation;

That management of the river will be based on the locally developed Management and Implementation Plan;

That there will be no condemnation of lands by the federal government as a result of the designation;

That there will be no new federal permits required as a result of the designation;

That the Upper Merrimack River Local Advisory Committee will review and approve any eventual legislation to designate the river as a component of the Wild and Scenic Rivers System.

Motion made and seconded. Motion made by Steve Randall and seconded by George Prescott to table this article. Motion failed by standing vote 37 yes and 48 no. Joyce Johnson made a presentation as Northfield's representative to the Upper Merrimack River Study Committee. Lisa Martin spoke in opposition to this article. After several questions and comments, the question was called. Article failed by voice vote.

Article #23. To transact any business that may legally come before said meeting. Glen Brown asked that the body recognize Donald Stevens who has stepped down from the Board of Selectmen and Lana Dearborn who won election to the Board and they received a standing ovation.

Meeting adjourned at 11:54 A.M.

Respectfully Submitted,

Eliza H. Conde
Northfield Town Clerk

INDEPENDENT AUDITOR'S REPORT
ON FINANCIAL PRESENTATION

To the Members of
the Board of Selectmen
Town of Northfield
Northfield, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Northfield as of and for the year ended December 31, 1993, as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Assets Account Group, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Assets Account Group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Northfield as of December 31, 1993, and the results of its operations and cash flows of its nonexpendable trust

funds for the year then ended in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Northfield. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

ANIMAL CONTROL REPORT

The Selectmen hired a part-time animal control officer because of resident's concern for the increased number of rabies incidents throughout the state, recent changes in the animal control laws and the increasing animal population in Northfield. In 1994 the Northfield Animal Control officer to 160 complaints. For 1995, the Selectmen have entered into a new shelter agreement with Birch Hill Kennels in lieu of the Human Society Contract. All stray animals picked up will be transported to Birch Hill Kennels located on Route 140 in Northfield. The hours are 10:00 a.m. - 5:00 p.m., Monday through Saturday. The Shelter is not open Sundays or Holidays. Hours are subject to change.

* * * Reminders * * *

- Rabies - All Dogs and Cats 3 months old or older must be vaccinated for rabies.
- Licensing - All Dogs 3 months of age and older must be licensed with the Town before April 30 of each year at the Town Clerk's Office. Attach rabies and license tags to your dog's collar.
- Leash Law - All dogs are to be on a leash, in a kennel or under the control of the owner at all times.
- Animal Bites - If someone is bitten/scratched by an animal, contact the Police Department immediately. Wash and soak the area of the bite for 15 minutes. Contact your doctor or hospital for further instructions.

For everyone's protection, please make sure all of your animals have been vaccinated, are up to date on all their shots and keep them under control or leashed at all times.

Respectfully submitted,

Donald Carpenter, Animal Control Officer

ARCH PARK COMMITTEE

The majority of the work for creating Arch Park has been completed. The access road from Summer Street was improved and there is a new parking area with an enclosed fence which will limit vehicle activity near the Arch. A paved walkway from the parking lot to the Arch gives the area wheel chair and walking accessibility.

The most obvious improvement is the installation of four reproduction lamps which are very similar to the original gas lamps, thanks to Tom Jordan who had the lamps made and installed. We purchased picnic tables, charcoal grills and granite benches which will be installed in the spring of 1995.

The improved access road has increased the number of visitors to the Arch considerably. It is the committee's hope that the area will be used for picnics and family gatherings. Applications for use of the area are at the Town Clerk's Office. There is no charge, but the application process assures there will not be a conflict of more than one group at a time.

Respectfully submitted,

Eliza Conde
Arch Park Committee

CAPITAL IMPROVEMENTS PROGRAM COMMITTEE

The Capital Improvement Program Committee met on September 28 and October 19, 1994 to update the Town of Northfield Capital Improvements Program (CIP) for 1994. The members of the Committee are Linda Luedke - Chairperson, Glen Brown, Bonnie Dunn, Marjorie Nickerson, Albert Cross, Paul Leary, Stave Randall, Brian Huckins, Gerard St. Cyr and Joyce Johnson. Since the CIP was developed in 1990, the Committee has met each year to review and update the plan.

The CIP is a tool used to plan and schedule improvements over a period of six years. For Northfield, any expenditure over \$10,000 and having a useful life expectancy of at least one year is the criteria for inclusion into the CIP.

Under state statutes (RSA 674:5), the purpose of the CIP is to "...aid the Budget Committee in their consideration of the annual budget". By examining Northfield's overall expenditure and revenue trends, the CIP assists in "level-loading" improvements so that the town does not see tremendous spikes in the tax rate from year to year.

The improvements to the schedule are subject to revisions as financial circumstances warrant. The plan is designed to be a guide to the overall direction and to assist in prioritizing items for the municipal budget.

For anyone interested, copies of the CIP may be obtained at the Selectmen's Office.

Respectfully submitted,

Linda Luedke, Chairperson
Capital Improvement's Program Committee

CODE ENFORCEMENT OFFICER

NORTHFIELD POLICE DEPARTMENT

The Northfield Police Department handled 5,126 incidents during 1994. The year 1994 has been a busy one for the Department with an increase in activity of 470 calls for service over last year.

Chief Paul M. Leary resigned from the Department to work for the State of New Hampshire, Department of Forest and Lands. Part-time Officer Lawrence A. Fredette is taking a full-time position with the Laconia Police Department in February of 1995.

The Department would like to thank the Highway Department and Town Hall staff, the Northfield Animal Control Officer and the Tilton-Northfield Fire Department for their support and cooperation.

In closing, we would also like to again thank the citizens of Northfield for their continued support as they are the eyes and ears for the Police Department.

Respectfully submitted,

Joseph M. Corso
Lieutenant/Officer in Charge

ROAD AGENT'S REPORT

Unlike the past few years, 1994's winter actually brought snow that didn't turn into freezing rain. All totaled, we had approximately 85" of snow. Winter is also the time that culverts decide to freeze and overflow onto the travel way. Considerable time is spent trying to thaw these.

Spring was very mild this year, which made for a light mud season for dirt roads.

Summer was unusually dry, causing considerable dust problems for the dirt roads. Work projects consisted of the following: Reconstruction of Shedd Road, paving of the Town's portion of Bay Hill Road, completion of Vine Street Drainage project, cleaning of ditches, roadside mowing, pavement repair work (shimming, sealing) of some of the tar roads and new pavement on 1500' of Blueberry Lane.

Fall was unusually mild which enabled us to finish up some of the Summer projects. It is also the time of year that we do our hauling and stockpiling of winter sand. I would like to take this time to thank the residents for their patience during the inclement weather of winter months as well as during the construction in the summer months.

Respectfully submitted,

Albert E. Cross, Road Agent

SOLID WASTE COMMITTEE

1994 was a busy year at the Recycling Center. We collected almost 12 tons more of recyclables this year than in 1993.

TONNAGES

	1993	1994
Aluminum	2.79	2.33
Cardboard	16.00	20.38
Glass	10.50	17.92
Magazines	-0-	2.45
Newspapers	39.00	38.80
Plastics	5.75	5.32
Rags	-0-	.16
Tin Cans	8.00	6.66
Total	82.04	94.02

In addition, we recycled 1,050 gallons of used motor oil.

Out of the 76.10 tons that were marketed (glass is utilized by the Highway Department in construction projects) we received \$4,434.88 in revenues - an increase of \$1,924.74 over last year. A portion of this increase is due to the new company that we are now selling our recyclables - Recycling Services, Inc. They pick up at the recycling center and pay us current market value. We no longer have to spend time locating markets or delivering the materials to them.

	Tonnage
Waste delivered to the Incinerator	2,005.23
Waste delivered to the Bethlehem Landfill	164.56
Scrap Metal Recycled	52.09
Recyclables	<u>94.02</u>
Total	2,315.90

Even though the recycled tonnage has increased, WE NEED TO DO MORE!!! The Town had to increase our GAT (Guaranteed Annual Tonnage) with the COOP Incinerator by 250 tons for 1995, which is an additional cost to taxpayers of \$10,000. When you go to throw something in the trash, ask yourself, Can this be REUSED?? If no, Can it be RECYCLED??

Everything that is thrown away on Tuesday and Thursday costs you \$40.00 per ton to burn at the incinerator. It makes sense to earn money for our recyclables instead of paying to have them burned.

The Recycling Center is located off Sargent Street and is open Wednesday 12-4 p.m. and Saturday 8-4 p.m.

Respectfully submitted,

Judy A. Huckins,
Northfield Solid Waste Committee

SUPERVISOR'S OF THE CHECKLIST

The aim of the Supervisors of the Checklist of Northfield has been to streamline the process of registration for the convenience of the people of Northfield. It is for this reason that authorization has been given to the Town Clerk and the Deputy Town Clerk to register voters during their office hours so that prospective voters are not limited to our scheduled sessions.

If there is a doubt in your mind as to whether you are registered, check our current checklist which is available at the Northfield Town Hall and at the Police Station. Should you find that your name is not on the checklist, then either register with the Town Clerk or come to a regular meeting of the Supervisors. When we have scheduled sessions for additions and corrections to the checklist, we advertise the session dates in the Laconia Citizen newspaper; we post a notice on the outside bulletin board at the Town Hall, the Town Clerk's office and the outside bulletin board at Jim's Drive-In.

Election Day Registration (RSA 654:7-a) was enacted in 1994 to allow unregistered citizens to register and vote only at state primaries and state general elections. Election Day Registration DOES NOT APPLY to town and school district elections or meetings.

If you should have any questions on registration procedures please check with the Town Clerk's office or the Supervisor's of the Checklist. Our registered voter count is at 2,091.

Respectfully submitted,

Terry Anne Steady
Donna Cote
Lewis Read

Supervisor's of the Checklist

WELFARE ADMINISTRATOR'S REPORT
Welfare

The Town of Northfield assisted approximately 345 households in 1994. The composition of households assisted were as follows: 468 adults and 442 children. 51 households needed assistance while waiting to receive either State or federal benefits.

We are again seeing an increase in those families who do have some earned income. These households typically are seeking assistance because - one of the wage earners has either been "laid off", injured, or work hours decreased to "part time". Another event is when the working parent who is dependant on child support from the absent parent fails to receive that payment. These are the two causes that seem to be the driving force that brings these people to the Town for assistance. Due to one or both of the previously mentioned events happening these families are then unable to meet their basic needs (food, shelter, heat etc.). This trend could continue as more and more businesses continue to use part time and temporary workers to reduce their labor costs.

The work search program is the program that all able bodied recipients are required to participate. Participants must make a minimum of 2 employment contacts per day, 10 per week and to document this so that verification can take place. This program is designed to encourage and motivate these people to get back into the workforce as soon as possible and into a position of economic self sufficiency.

The workfare program continues to provide an avenue by which eligible clients are able to defray their indebtedness to the Town (town assistance is considered a loan). Working for the town at least two days per week is a condition of assistance as is work search. Failure to participate in these programs could result in suspension of assistance. In 1994, 760 hours were worked by town assistance recipients, reducing their indebtedness to Northfield by \$3,420. The majority of this workfare has been done with the highway department

however other sites have been utilized on a limited basis and we will continue to investigate other sites for this program. We have also received \$6,656 from recipients who chose to work out payment arrangements versus workfare.

Multiple human service agencies continue to be involved in the majority of Town Welfare cases. Without the assistance of these agencies (Community action Program, Twin Rivers Community Corporation, Helpline, Tilton-Northfield-Sanbornton Christmas Fund, Visiting Nurse Association, local churches, etc.) the financial burden on the town would be worse.

The good news to report is that voucher payments in 1994 are down 37% from 1993, and were a little less than the 1992 level. We hope that fewer residents will need Town assistance in 1995 despite the decrease in Federal Fuel Assistance money and the drastic reductions proposed in the State Welfare Budget.

Respectfully submitted,

Heather Howe Thibodeau
Welfare Administrator

CONCORD REGIONAL SOLID WASTE
RESOURCE RECOVERY COOPERATIVE

1994 marked our fifth complete year of successful operations. Some items which may be of interest follow:

The tonnage delivered to the plant by the Cooperative this year was 116,510. This was an increase of 9,621 tons over 1993 or a 9% increase. 1994 was the second straight year that the Cooperative went over GAT. Our GAT for 1994 was 105,634 tons and 116,510 tons were actually delivered. A total of 67,765 tons of ash were delivered to the landfill for disposal. The landfill continues to operate well.

The 1995 budget reflects a decrease in the tipping fee of \$.50 per ton. This is the first time that the COOP has been able to reduce the tipping fee for the communities.

The ash paving demonstration project in Laconia continues to be monitored by UNH. The final report and permitting are to be completed early this spring. All is going well with the project.

The maintenance building which was budgeted in 1994 was completed in March of 1994. The project cost was on budget and is providing the maintenance and storage space we had hoped for.

1995 Budget

Wheelabrator Concord Company Service Fees	
Reconciliation and Recycled Tons	\$2,435,200
Bypass Disposal Cost Reserve	125,000
Franklin Residue Landfill	
Operation and Maintenance	\$818,772
Bond and Loan Payments	450,168
Expansion Sinking Fund	621,483
Closure Fund	151,399
Long Term Maintenance Fund	<u>16,802</u>
	2,058,624
Cooperative Expenses, Consultants & Studies	<u>333,978</u>
Total 1995 Budget	\$4,952,802
Less: interest, surplus, recycled tons & communities over GAT applied to 1995 Budget	<u>(438,000)</u>
Net to be raised by COOP Communities	\$4,514,802

1995 GAT of 112,869 = \$40.00/ton tipping fee.

James R. Presher
CRSW/RRC Director

FRIENDSHIP GRANGE

This last year has been busy for the members. The biggest highlight was to host the degree day for 21 members who traveled from all corners of the state to take the degrees. Even though it was a bitter cold day, the atmosphere inside was cheerful.

We also participated at the Belknap County 4-H Fair in August.

This year we plan to be participating in the "Adopt A Highway Program".

Albert Donohue, Master
Friendship Grange

Hall Memorial Library received a matching grant from the New Hampshire State Library to purchase a computer. We are connected to the State System and can search on-line for materials in other libraries.

Sixty-five children signed up for the summer reading program. We received another grant from the State Library to pay for a storyteller to entertain as part of our program. A Big "Thank You" to First Deposit Bank and Advanced Heating and Plumbing for the savings bond given to our star readers.

Our very successful summer book sale was due to the hard work of volunteers headed by Carl and Vivian Henry who did an outstanding job.

We thank volunteers Donald Abbott, Sigrid Von Brockdorf and Jean Wright for their hours of support.

Thank you to Bob Landry for the tubs of flowers that brightened our walks, to Gail Drucker of Laconia Library for stories at our Halloween Party and to Richard Paulhus of the Tilton Police Department for helping with our summer program. Our beautiful Christmas wreaths on the door were from the Tilton-Northfield Garden Club made by Clara Hardy. The inside wreath was a gift of the Winnisquam Agriculture Center. Thank you all.

We appreciate the generous donations of money, books and time given to the Library throughout the year.

The Tilton-Northfield Rotary Club has once again given a pass to the Christa McAuliffe Planetarium for use by local residents. It was well used this year and we appreciate their gift.

Library Hours (Winter)

Monday through Thursday	11AM to 8PM
Friday	11AM to 6PM
Saturday	11AM to 2PM

Pre-school story times are held on Wednesday Mornings at 10AM.

LAKES REGION COMMUNITY SERVICES COUNCIL

Throughout 1994, Lakes Region Community Services Council has continued to serve several Northfield residents who have developmental disabilities. At present, 4 adults receive residential care. Day-habilitation and vocational programs, with corresponding transportation, are provided them each workday. In addition, there is one family with a developmentally disabled child who receives assistance from our Family Support Department.

For some time, LRCSC has been collaborating with other social service agencies, Lakes Region Planning Commission and the State Department of Transportation. This past year, a federal grant that resulted from such work, allowed us to transform and add to our existing transportation resources. It is now fully operational under the name, "Greater Laconia Transit Agency" (GLTA), and its services are now available to the general public. Funding from the town, has been and will continue to be, earmarked for support of this transportation system. Fundamentally however, our vehicles will continue to travel to and from Northfield each day, transporting our clients to the wide variety of work and activities that now exist throughout the community.

Sincerely,

Stephen C. Maguire
Assistant Executive Director
Lakes Region Community Services Council

LAKES REGION FAMILY SERVICE ASSOCIATION INC.

Lakes Region Family Service Association is a private, non-profit social service agency which offers supportive services to families from Northfield. The agency has been in existence for over 25 years in the Lakes Region of New Hampshire. Our purpose is to provide accessible, affordable services to sustain family life.

The agency provides four core programs. These are a Family Counseling Program, a Mediation Program, a Child Advocacy Program and a Parent Aide Program. We provide parenting programs, groups and workshops such as a Co-dependency Group, Assertiveness Training, and Stress Management. The agency does parent-child mediation free of charge and divorce mediation is available at reasonable rates.

Counseling services are provided on a sliding fee scale basis; many insurances also cover the cost of counseling. There is no waiting list for services.

Lakes Region Family Service is in the third year of a child advocacy program. This includes intervention with child sexual abuse victims and their families; we also do outreach primarily in schools, to help people identify child sexual abuse and to know how to respond.

The agency is open four evenings per week to make service accessible. Anyone is welcome to call for information at 524-5835.

Respectfully submitted,

Elizabeth Pederson, Executive Director
Lakes Region Family Service Association, Inc.

LAKES REGION PLANNING COMMISSION

The Lakes Region Planning Commission is a voluntary association of local communities designated by area towns as the organization that brings towns and cities within the Region together. By associating and pooling resources, local governments have a highly trained professional staff available to them for a wide variety of services. Areas of current expertise include land use and transportation planning, master planning, environmental planning, capital improvement programming, economic and community development, housing, fiscal and environmental impact analysis, geographic information systems and computerized cartography, household hazardous waste collections and site plan review. Communities may also obtain the services of a professional planner on a regular basis through our circuit rider program or on a fee basis. The Commission also provides a framework to protect and further the interests of our communities with the state and federal government.

Your support helps the LRPC maintain a comprehensive regional planning effort and enables the Commission to perform various projects and activities for regional benefits. Over the past year the LRPC:

- * Provided consultation and assistance to thirty-one member communities.
- * Met repeatedly with federal and state officials and agency representatives to influence policy and help keep the Region an active participant in many ongoing programs.
- * Contracted and coordinated the 11th, and largest, regional household hazardous waste program in the Lakes Region serving over twenty municipalities in one day super collection.
- * Sponsored fall and spring sessions of the NH Law Lecture Series.
- * Served as a Board Member of the Belknap County Economic Development Council, a county wide initiative for economic betterment.

- * Initiated work on an innovative study of the Route 16 corridor from the seacoast to Errol, NH in coordination with the NH Department of Transportation and three regional planning commissions.
- * Completed a draft update of the regional housing needs assessment in the Lakes Region as mandated by state statute for local housing plans.
- * Initiated work on an agreement through the scenic byway program which will enable us to computerize and display historic sites using GIS and scanning technology for the benefit of the Lakes Region Heritage Tourism Roundtable.
- * Completed the Manual of Model Ordinances, a comprehensive report on best management practices containing model ordinances for shoreland protection, subsurface disposal systems, erosion and sedimentation control and wetlands protection. The report was prepared with support from many people including the NH Department of Environmental Services, Belknap and Carroll County Conservation Districts and the North County Resource Conservation and Development Area, Inc.
- * Submitted another application to the NH Department of Environmental Services to continue implementation efforts identified in Phase I of the Lake Winnepesaukee Watershed Project.
- * Completed a major update of the Overall Economic Development Program (OEDP) which enables members to apply for economic development funding assistance from the US Economic Development Administration.
- * Participated in other regionally significant economic development efforts including, membership on the Newfound Economic Development Council Mitigation Fund Advisory Committee, Legislative Conference Center Committee, Governors State park Advisory Committee, Ossippe Valley Chamber of Commerce EDA proposals and the Franklin Economic Development and Revitalization Committee.

- * Reorganized the regional transportation advisory committee to a technical advisory committee for the purpose of improving regional representation and identifying projects for inclusion in the update of transportation plans and programs.
- * Initiated a region wide land use and transportation inventory to support Department of Transportation efforts leading to the development of a statewide transportation model.
- * Continued to be a planning information resource center for all municipalities, including the maintenance of an affiliate state data center of U.S. Census information.
- * Continued to administer and participate in a number of master plan updates throughout the Region including, but not necessarily limited to Holderness, Sanbornton and Tamworth.
- * Prepared a comprehensive soils capability analysis of the Newfound River Watershed identifying areas with high to low development capability in cooperation with the Natural Resource Conservation Service and the N.H. Department of Environmental Services.

We look forward to serving your community during the coming year. Please feel free to contact us at 279-8171 whenever we can be of assistance.

Thank you for your support.

Kimon Koulet, Executive Director
Lakes Region Planning Commission

Eloise Lyford, Northfield Commissioner

NORTHFIELD HISTORICAL SOCIETY

The focus of the Historical Society's activities in 1994 has been the preparation of an update of the Northfield Town History. The original history was published in 1905. So much has changed since then it was felt important to list new developments, recall discarded items and make note of reasons for these changes.

Programs during the past year have included talks by Harold Harbour, Chief of our Fire Department, Sergeant Stephen Adams of the Northfield Police Department and David Foster of the Northfield Planning Board. All gave their versions of the development in their particular fields. The Road Agent was scheduled to speak in November but this program has been postponed until Spring.

A Historical Update Committee was appointed and has been meeting regularly. The members of this Committee are: Steve Randall, Chair, Richard Smart, Co-Chair, Donna Cote, Secretary, Robert Beaulieu, Richard Caveney, Eliza Conde, Patricia Havumaki, Gordon Hill, Marion Houlihan, Joyce May Johnson, Eloise Lyford, John Lyford, Gerard St. Cyr and Phyllis Yudickey.

The Update Committee has hired Thomas Curran, a New Hampshire Historian and acclaimed writer. Mr. Curran's previous town history was Bridgewater, NH which was highly commended. Mr. Curran has already started work on the Northfield History. In the meantime a fund raising effort is being launched to meet the expenses of publishing the book.

Special help can be furnished by anyone who can provide the Northfield Town Clerk with photographs of historic scenes, records, memorabilia of bygone days of our Town. Mr. Curran plans to interview representative citizens to solicit their recollections of the past.

The officers for the past year were:

President	Robert Leighton	
Vice President	Steve Randall	
Secretary	Marion Houlihan	
Treasurer	Eloise Lyford	
Directors	Gerard St. Cyr	(3 years)
	Richard Smart	(2 Years)
	Sharon Hill	(1 Year)

Respectfully submitted,

Richard Smart, Director
Northfield Historical Society

NORTHFIELD SEWER COMMISSION

The Sewer Commission did not undertake any special projects in the year 1994. State funds were authorized for extension and improvements of municipal systems in the State. The Commission checked into the feasibility of obtaining some of this low-interest loan money with the hope of improving the Cottage Street area. We learned that money would not be available unless the Town has an engineering survey of the proposed project. We did not have the necessary engineering study in place, so we were unable to secure a loan.

The Commission decided that we would need such a study in the future for improvements to Cottage Street, so authorized Richard Lepene PE to provide such engineering study as may be required when the work is to be done. This report has been received.

The construction of the new school on the Southwick property presents the possibility of expanding the existing sewer service on Sargent Street. At the present time plans for the construction of the line from the School to Town system has not been finalized by the School's engineers, so no definite plans involving the Sewer Commission have been made. It is hoped that plans will be more definite by the date of 1995 Sewer Commission Annual Meeting to be held on or about March 21, 1995.

Respectfully submitted,

Roy Jordan
Owen Clifford
Rob Steady

Northfield Sewer Commissioners

NORTHFIELD TILTON ECONOMIC DEVELOPMENT CORP.

NTEDC is a private non-profit (501C-3) economic development corporation comprised of 52 members and a Board of 15 Directors representing the two towns. Our primary objective is to encourage a diversity of businesses, especially manufacturing, to expand or locate in the Northfield-Tilton area. Monthly Board of Director meetings are held the 4th Wednesday of each month at 6:30 p.m., at the Voc/Ag Building Winnisquam Regional High School. Members and public are always invited to attend and participate.

1994 Highlights

Business Visitation Program: We concentrated on local business not previously visited and had great success. Were able to link one business with First Deposit National Bank to secure much needed financing; established a connection enabling another company to sell their product to a foreign country thus securing a large contract; attended the Northfield Planning Board meeting in support of Pike Industries to construct an asphalt plant.

Community Renaissance Program: This program brought together individuals, groups and agencies interested in economic development in Tilton and Northfield. Session 1: Developed a community profile, assessed Tilton and Northfield's strengths and weaknesses; Session 2: Planning Strategy to identify potential projects and required resources for implementation. Session 3: ranked the projects and developed specific action plans.

Education Committee: NTEDC initiated a scholarship program and presented our first Book Award Winner to Robert Clough of Winnisquam Regional High School.

Entrepreneurs Club: First meeting Janice Jurta, owner of Country Braid House spoke about the family history behind her business and explained business decisions concerning the direction of growth, product line and marketing. Second meeting, Mike Russell, Economic

Development Specialist with the US Small Business Administration explained the SBA Loan Program and the changes made to simplify the application process.

Marketing Activities: Conducted a search for available space for a company interested in relocating to Northfield/Tilton area. Worked with the Chrysler Credit Corporation to donate property located on the Main Street of Tilton with the intent of renovating the building to create a small business incubator capable of handling light manufacturing and retail space. Property was purchased by a private concern, have contacted the new owner and expressed interest to help develop the building and provide list of potential tenants.

Linking with Community Groups: Met with the Northfield Selectmen, Tilton Selectmen, member of Winnisquam Vitalization Committee, attend monthly NH Association of Industrial Agents meetings, meet quarterly with the Belknap County Economic Development Council to discuss current projects, attended all NHDOT Route 3 & 11 meetings; participated in the NHDOT Transportation in the 21st Century Forum; represented the economic interests of Northfield at WRSD Board meetings stressing the importance of economic development to a community and how choice of school sites would impact Northfield.

1995 Goals & Projects

The Northfield/Tilton Economic Development Corporation is requesting \$2,000.00 to be used for the following projects:

1. Continue to market all available commercial and industrial zoned sites and buildings in the Towns of Northfield and Tilton to developers, realtors and other interested parties.
2. Conduct a feasibility study to construct a 20,000 sq.ft. commercial/industrial building in Northfield. This building would become a business incubator available to local small business at reduced rents by sharing office expenses and staff.

3. Obtain a grant to ascertain the cost of cleaning up alleged hazardous waste at the abandoned Surrette Battery Building in Northfield so that the building can be marketed and put back on the tax rolls.
4. Continue efforts to revitalize downtown Tilton. One project would be link both towns heritage in encouraging tourism to the downtown, thus filling vacant store fronts with quality retail/specialty shops and expansion of local home businesses.
5. Develop a brochure which highlights the unique characteristics of our area, displays a walking map indicating historical sites, statutes, architecture and advertise local businesses and services. This brochure will be displayed at local businesses and mailed to prospective businesses.

Respectfully submitted,

Steven V. Bauer, President NTEDC

1994-95 Board of Directors

Steve Bauer (President), Joyce Johnson (1st Vice President), Richard Maher (2nd Vice President), Ann Currier (Secretary), Bruce Andreson (Treasurer), Mike Baker, Dave Barbuto, Don Carlson, John Clement, Ken Nash, Casey Nickerson, Dale Rollins, Janet Rosequist, Paul Trothier, Jack Willey.

OLD HOME DAY COMMITTEE

Because of rain, 1994 turned out to be the second time in 14 years that some of the Old Home Day activities had to be postponed to the following day. Even with the down pours on Saturday, which forced certain vendors to stand on crates to stay out of the puddles, there was a great turn out.

Bob and Diane Watson had a banner year with the Road Race participants. Doris Nesbitt said the parade goes "rain or shine", and rain it did! At 10:00 a.m. the down pour started and so did the parade. But somehow they pulled it off and it was great. We would like to thank all those people who stood in the rain to watch. Your support is what makes this day a success. This year's Citizens of the Year were Al DeRoy of Tilton and Fire Chief Harold Harbour of Northfield.

On Sunday, things dried out and we still had a fairly good turn out. The horse pulling was held along with events for all to enjoy. That evening there was the usual spectacular display of fireworks.

At this time we would like to thank all the people who make this day possible by their generous contributions and also those who come to join in the fun to make this day worthwhile.

We hope to see you all again in the up coming year.

Respectfully submitted,

Mike Summersett
Chairman Old Home Day Committee

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

In calendar year 1994, our three leading causes of fires were No Permit, Children and Rekindles of fires where the fire was not properly extinguished.

Violations of RSA 224:27 II, the fire permit law, and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps to prevent unnecessary response to a controlled burn.

Fire Statistics	1994	Average 1990-1993
Number of Fires Reported to		
State for Cost Share Payment	283	443
Acres Burned	217	246
Suppression cost	\$90,000+	
Fires Report by Lookout Towers	588	
Assists to Other Towers	363	
Visitors	21,309	
Fires Reported by Detection		
Aircraft	89	

Local communities and the State share the cost of suppression on a 50/50 basis. The State of New Hampshire operates 15 fire towers and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

"Remember, only you can prevent forest fires!"

Richard Chase, Forest Ranger
NH Department of Resources & Economic Development
Division of Forest & Lands

REPORT OF THE TILTON-NORTHFIELD FIRE DISTRICT CHIEF

On behalf of the officers, members of the department and myself, we would like to thank the residents of Northfield for their ongoing support in 1994. It was a busy year for the department and many hours were devoted to community service and training hours. The big news in 1995 is the implementation of the enhanced 911 system.

The Town's employees have been working with state officials and telephone companies, mapping the area to place the system on line, hopefully by July of 1995.

Enhanced 911 will enable a person needing emergency assistance to dial 911 for all police and fire emergencies. Once the call has been answered by the 911 operator, they will make the decision as to which department to call. If a person is unable to speak, the operator of 911 has the ability to see the telephone number which the call is being made from and also the location of the call on their computer screens. A response will begin quickly.

For us to improve the system, we need everyone's cooperation with the following procedures: Your home needs to be well numbered on the outside front of your home so that we can see them. If your home borders two streets, both sides of the home need to be numbered. In rural area, mailboxes need to be marked on both sides of the box. All numbers should be reflective.

Do not assume that everyone knows your name or who you are. I cannot stress the importance of this procedure enough. If you do your job, ours will be made much easier and save precious time.

Serving you in 1995

Harold P. Harbour, Chief
Tilton-Northfield Fire District

TILTON-NORTHFIELD FIRE DISTRICT
1995 WARRANT

To the inhabitants of the Tilton-Northfield Fire District, qualified to vote in District Affairs: You are hereby notified to meet in the Winnisquam Regional High School Cafeteria on Monday, March 20, 1995 at 7:30 o'clock in the evening to act on the following:

- Article #1: To chose a Moderator for the ensuing year.
- Article #2: To choose a Clerk for the ensuing year.
- Article #3: To choose a Treasurer for the ensuing year.
- Article #4: To chose a Fire Commissioner for the ensuing three (3) years.
- Article #5: To hear the reports of the Treasurer and the Fire Commissioners and pass any vote relating thereto.
- Article #6: To see if the district will vote to renew the Water Contract and raise money for the same in the sum of Forty-One thousand dollars (\$41,000.00).
- Article #7: To see if the District will vote to raise and appropriate Seventeen Thousand dollars (\$17,000.00) for the support of the Winnisquam Fire Department.
- Article #8: To see what action the Fire District will take relative to the raising and appropriating of the sum of Thirty Five Thousand (\$35,000) towards the purchase of a new fire truck for the Winnisquam Fire Department. It should be noted that the towns of Belmont and Sanbornton have also received requests to raise an equal amount of money. In the event that this appropriation is approved by the District, such amounts of money will not be remitted to the Winnisquam Fire Department unless all other towns have raised an equal amount.

- Article #9: To see if the District will vote to accept the budget as submitted by the Fire Commissioners, and pass any vote in relation thereof.
- Article #10: To see if the District will vote to authorize the Fire Commissioners to apply for, accept and expend money from the State, Federal or other Governmental unit or a private source should any become available during the year.
- Article #11: To see what action the District will take relative to the ultimate disposition of accumulated insurance proceeds. Such proceeds are accumulated as a result of proceeds received from insurance companies as a result of transports by the Districts Rescue Squad.
- Article #12: To see if the District will vote to authorize the Fire Commissioners to borrow money in anticipation of taxes.
- Article #13: To transact any other business that may legally come before the meeting.

TILTON NORTHFIELD RECREATION COUNCIL

The Tilton Northfield Recreation Council would like to start our yearly report as we always do by thanking the many volunteers who help out with our many community programs. Without this support, we would not be able to provide the wide range of activities we now offer at the Pines Community Center.

The Council is a non-profit organization that provides recreational services to the Towns of Tilton and Northfield. We are governed by a council of up to twenty volunteers of which ten members are from each Town. The money we received from Tilton and Northfield in 1994 helps to pay the administrative costs of the Tilton-Northfield Recreation Council.

The Pines Community Center is now two years old and our programs and participation are growing at an incredible rate! During 1994 we were fortunate to add Ellen Welch as our Program Director and Ron Bird as our Maintenance Coordinator. Their addition to the staff has helped provide the personnel foundation for the Center to move forward into 1995 with new programs and improved facilities.

Also in 1994 the Council adopted the following mission statement: "The Tilton-Northfield Recreation Council, formed in 1954, was founded on and continues to be committed to the ideas of enriching peoples lives through recreational and social activities. At the Pines Community Center and throughout the communities of Tilton and Northfield, the council strives to provide the community with programs that are mentally, physically and socially challenging for all." This statement will be the "personality" of the Council as we grow into the future. If you are interested in becoming a member of the Council, please call Cindy Rose the Executive Director at the Pines Community Center at 286-8653.

During the upcoming year, we will be launching a major fund raising campaign to local merchants, banks and volunteers to raise the funds necessary to complete the core facility of the Center by adding a dance studio, fitness center and accessibility for those who are physically challenged as well as other projects. Our goal is to enlist support whether financial, materials or volunteers to help complete the project.

I would also like to thank Cindy Rose, our Executive Director for the last fourteen years for her continued dedication to the success of Tilton-Northfield recreation.

The Pines Community Center is open from 9:00 a.m. - 8:00 p.m. Monday through Friday and Saturday afternoons. The multi-purpose room is also available to rent for parties and functions. If you have any questions or comments about anything relating to the Council or the Pines Community Center, please call Cindy Rose at 286-8653 or myself at 934-7123. We will be happy to answer any questions and provide program information and tours of the facility.

Respectfully submitted,

Christopher R. Irish
President, T-N Recreation Council

UPPER MERRIMACK RIVER LOCAL ADVISORY COMMITTEE

The early part of 1994 was busy for the Upper Merrimack River Local Advisory Committee. Representatives from the communities of Boscawen, Bow, Canterbury, Concord, Franklin and Northfield completed the editing of the Management and Implementation Plan. It was formally adopted by committee vote on February 22. The plan has been presented to the local planning and zoning boards as well as city councils, boards of selectmen and conservation commissions.

At the March town meeting, a warrant article was presented to residents of Boscawen, Canterbury and Northfield asking them to consider Federal Scenic & Recreational designation for the upper Merrimack River. A resolution as presented to the Franklin City Council. The article was defeated in these communities and the resolution was not adopted by the Franklin City Council. The measure is still under consideration in Concord by a study committee. A decision by the County City Council is expected in the spring.

The committee is currently engaged in forming a draft work plan based on key action items outlined in the Management and Implementation Plan. Highlights of these projects include initiating a citizen water quality monitoring program, education and public outreach on river related issues and gaining formal recognition of the Management and Implementation Plan by local planning boards in their master plans and by its adoption in each of the communities.

The UMLAC meetings are held on a rotating basis in the six represented communities. The committee meets the 2nd Monday of each month at 7:30 p.m. For more information, please contact your local representative or the chairperson.

Respectfully submitted,

Michelle Trombly, Chairman.

Northfield Representatives are John Clement and Joyce Johnson.

THE VISITING NURSE ASSOCIATION OF FRANKLIN

1993-1994 YEAR IN REVIEW

Two words describe the 1993-94 year in review - growth and change. The home health care industry continued to be the fastest growing segment in health care. In the past two years the Visiting Nurse Association of Franklin (VNAF) has experienced a 28% growth. This growth has brought unprecedented change in programs, services, staff and network development.

Outreach to and involvement with the citizens of Northfield has been a major focus of this Agency. There were many joint efforts and collaborative undertakings, enabling us to provide additional adult health support in your community. In addition, the VNAF received special funds from the Bureau of Maternal and Child Health to provide free immunizations for children two months to two years of age in Tilton, Hill, Salisbury, Webster and Northfield.

The accomplishments in 1993-94 were due to a very supportive community, a committed Board of Directors, dedicated staff and volunteers. Mutual respect and trust has been the foundation for success in both management and governance. The combination and interaction of these two ingredients made the mission of the organization come alive. Challenges became opportunities and roadblocks were only stepping stones to greater progress. We are confident that VNAF will continue to "ride the waters" of change and growth as it continues to fulfill its mission: "To enhance the general health of the Northfield Community by providing quality health care to the people in need, by personal dedication to excellence."

1994 Service Statistics

In 1994 over 6,120 services were delivered to the residents of Northfield and 33,899 to our entire catchment area. Our Hospice and Child Health Programs continued to expand as did our volunteer component that assisted in these programs. We also offered Continuing Education Programs to registered nurses who work in the surrounding communities.

Skilled Nursing Visits	1,354
Home Health Aide	2,933
Physical Therapy	201
Speech Therapy	14
Occupational Therapy	0
Homemaker Visits	814
Supportive Services	488
Hospice	94
Office Visits	75
Child Health Services	26
Community Health	74
Medical Social Worker	47

Total	6,120
-------	-------

Thank you to the many people who gave memorial donations to the VNAF in memory of their loved ones, this much needed support to our Hospice Program is appreciated.

Rob Steady, Catherine Beaulieu, and Phyllis Yudicky served on the VNAF Board of Directors and actively represented the Northfield Community.

Sincerely,

Donna Ward Tetley, RN,MS
Executive Director

Office Hours are 8:00 a.m. - 4:30 p.m.
Monday through Friday

YOUTH ASSISTANCE PROGRAM
OF NORTHFIELD, SANBORNTON, TILTON, INC.

Court Diversion is primarily for any youth under the age of 18 who has committed an illegal act and is a first time offender. Written agreement must be given by the parents and youth to go through court diversion instead of court and so it is considered voluntary. A contract is designed that addresses the needs and problems of the youth so that he or she may make amends for their crime and face the consequences for their actions. Case examples include simple assault, shoplifting, willful concealment, substance abuse/possession, truancy, some types of arson, burglary, harassment, illegal use of firearms, etc.

Prevention activities are for any youth and/or parents. Prior experience with this program or court does not bar anyone from participation if they can be helped by our staff and volunteers. Activity examples are as follows: youth counseling, crisis intervention, adventure based counseling, Challenge (substance abuse training), peer counseling, independent living training, mediation, parent training and support.

In 1994 we saw a 69% increase in our activity level. There were more participants in the Challenge Course than in 1993. A substance abuse program was brought to the middle school. Thirty-nine students took part.

We wish to express our appreciation to our loyal volunteers, our supportive board of directors, the local police, school personnel and our many helpful friends in the community.

Respectfully submitted,

Martha C. Douglass, Director
Dawn B. Shimberg, Assistant Director
Youth Assistance Program of Northfield, Sanbornton and
Tilton, Inc.

Board of Directors:

AN ORDINANCE REGULATING THE PLACEMENT OF SNOW
WITHIN THE TOWN OF NORTHFIELD, NEW HAMPSHIRE

SECTION 1. PURPOSE

Pursuant to the authority granted to the Town of Northfield by RSA 41:11 and RSA 47:17, in order to promote the general welfare of the citizens of the Town of Northfield, the Selectmen of the Town of Northfield do hereby adopt the following ordinance. As of the effective date of this Ordinance, it shall be unlawful for any person, organization, or corporation to put or place, or cause to be put or placed, any snow or ice upon the surface of the traveled portion of any Class IV of V Highways, or any municipal sidewalk in the Town of Northfield. The provisions of this section shall not apply where snow or ice is pushed across the traveled surface of said highways or sidewalks for the purpose of snow removal from land adjoining said highways and sidewalks, when and only if no snow or ice so pushed remains on said highways or sidewalks.

SECTION 2. PENALTY

Whoever shall fail to comply with the provision of this Ordinance shall be guilty of a violation and subject to a fine of up to Five Hundred (\$500.00) dollars. For the purpose of this Ordinance, each day of violating this Ordinance shall be deemed a separate occurrence.

SECTION 3. SEVERABILITY

If any provision of this Ordinance or the application thereof to any person or circumstances is held invalid, the invalidity does not effect the other provisions or applications of this Ordinance, which can be given effect without the invalid provision or application, and to this end the provision of this Ordinance are severable.

SECTION 4. EFFECTIVE DATE

This Ordinance shall be effective upon adoption by the Board of Selectmen, following a properly noticed public hearing and upon the recording of an Attested Copy of the same with the Town Clerk.

Effective Date: December 21, 1993

ORDINANCE FOR REGULATING THE USE OF CLASS VI HIGHWAYS
IN NORTHFIELD, NEW HAMPSHIRE

SECTION 1. PURPOSE

WHEREAS, the Town of Northfield has as part of its highway system, an extensive network of unmaintained Class VI roads; these roads are a valued public resource for recreational activities, as well as a means of accessing back lands within the Town of Northfield; motorized wheeled vehicle usage caused by logging operations can damage these public highways; and the preservation of these highways is in the Town's best interest; now therefore the Board of Selectmen, enact the following ordinance under the authority of NH RSA 41:11 to regulate the use of public highways; NH RSA 47:17 to make By-Laws and Ordinances; NH RSA 236:9, :10, :11 to require bonds and restoration, and Article #6 adopted at the March 1982 Town Meeting directing the Selectmen to regulate Class VI Roads:

SECTION 2. REGULATED ACTIVITY DURING MUD SEASON

All unmaintained portions of Class VI highways within the Town are closed to all motorized wheeled vehicles weighing more than 1,000 pounds during mud season. The dates for mud season shall be determined by the Road Agent. The only exception to the above listed closure is if the person operating the motorized wheeled vehicle has properly obtained a written Usage Permit from the Northfield Board of Selectmen and Road Agent. This permit must be immediately available for inspection by any person requesting it. Such permit does not exempt the user from being liable for damage to the roadway.

SECTION 3. REGULATED ACTIVITY - LOGGING OPERATIONS
WHICH USE
CLASS VI ROADS.

Any person (hereinafter "User"), prior to conducting logging operations which use Class VI roads in the Town of Northfield, shall obtain written permission from the Board of Selectmen (hereinafter "Town"). Users shall not commence logging operations until the Intent to Cut and Road Use Agreement form have been approved by the Town.

The User shall assume full responsibility for any and all injuries or damages to all persons and property caused by User's operations in the Town of Northfield. The User shall immediately repair and restore all roads, drainage structures, bridges and other structures which may be damaged as a result of User's operations and shall not at any time interfere with the right of the public to safe use of town roads.

The Town may require that the User maintain liability insurance in full force and effect with an insurance carrier licensed to do business in the State of New Hampshire in an amount of not less than \$500,000 throughout the term of this agreement and provide the Town with a certificate of insurance to verify that the insurance has been obtained.

The Town may require that the User file with the Board of Selectmen prior to commencement of hauling a Restoration Guaranty such as cash, surety bond, an escrow deposit or irrevocable letter of credit, in an amount sufficient to secure the obligation to repair and restore the improvements referred to above. The amount and form of security shall be approved by the Board of Selectmen.

SECTION 4. PENALTY

Violators will be fined \$500.00 and may be held liable for damages to the highway under RSA 236:38 and 236:39.

SECTION 5. SEVERABILITY

If any section, provision, portion, clause or phrase of this Ordinance shall be held to be invalid or unconstitutional by any court or competent authority, such holding shall not affect, impair or invalidate any other section, clause, provision, portion or phrase of this Ordinance.

SECTION 6. EFFECTIVE DATE

This Ordinance shall be effective upon adoption by the Board of Selectmen, following a properly noticed public hearing and upon the recording of an Attested Copy of the same with the Town Clerk.

Effective Date: January 19, 1994
